Hello. I messaged thecopperkid about two weeks ago asking if i could pod this series. It is my first and i actually had it recorded about a week ago, and it's taken me this long to get over my fear of people hating my voice and post it. Anyway thanks thecopperkid for writing a series that i love more than life itself and then letting me use it to pop my podfic cherry, i hope y'all enjoy the pod of it!! Hopefully i will get through the whole series!!
